

INDEPENDENT CONTAINER LINE

World Class Trans-Atlantic Shipping

ICL is a World Class Trans-Atlantic shipping line with an integrated logistics network offering the most reliable delivery and customer-focused solutions.

www.icl-ltd.com

INCOMPARABLE RELIABILITY

We operate the industry's most reliable container shipping delivery network linking the United States and Europe.

DEPENDABLE SHIPMENT DELIVERY

A committed partner devoted to superior service.

FIXED WEEKLY SCHEDULE

Fixed day sailing; each and every week. The best schedule integrity in the North Atlantic.

INTEGRATED DOOR-TO-DOOR NETWORK

Multiple service offerings for a comprehensive shipping experience.

INDEPENDENT ASSET-BASED OPERATOR

ICL owned vessels, container fleet, offices, and terminal.

PERSONALISED SERVICE

We promise every customer exceptional service and unwavering attention to their individual needs.

CUSTOMER FIRST COMMITMENT

It's all about the customer and we have made it our number one value.

TRANS-ATLANTIC INDUSTRY EXPERTS

Our knowledgeable and professional team is dedicated to fulfilling customer needs and exceeding your expectations.

PROACTIVE EXCEPTION MANAGEMENT

Proactive oversight of every customer's supply chain with prompt notification when exceptions occur.

ONLINE LOGISTICS TOOLS

Industry leading technology that allows customers the visibility to actively manage their supply chain.

CUSTOMISED LOGISTICS SOLUTIONS

We offer specialised logistics solutions to meet our customers' unique multimodal supply chain challenges.

MULTIMODAL SERVICES FROM ORIGIN TO DESTINATION

Multimodal integrated solutions for every shipment to facilitate fast and reliable door delivery.

SPECIALISED SERVICES FOR CHALLENGING SHIPMENTS

Innovative handling systems for cargo where size or weight are beyond normal containerised limits.

DEDICATED LCL NETWORK SERVING U.S. AND EUROPE

Unique carrier managed LCL service with guaranteed weekly sailings connected to an expedited delivery network.

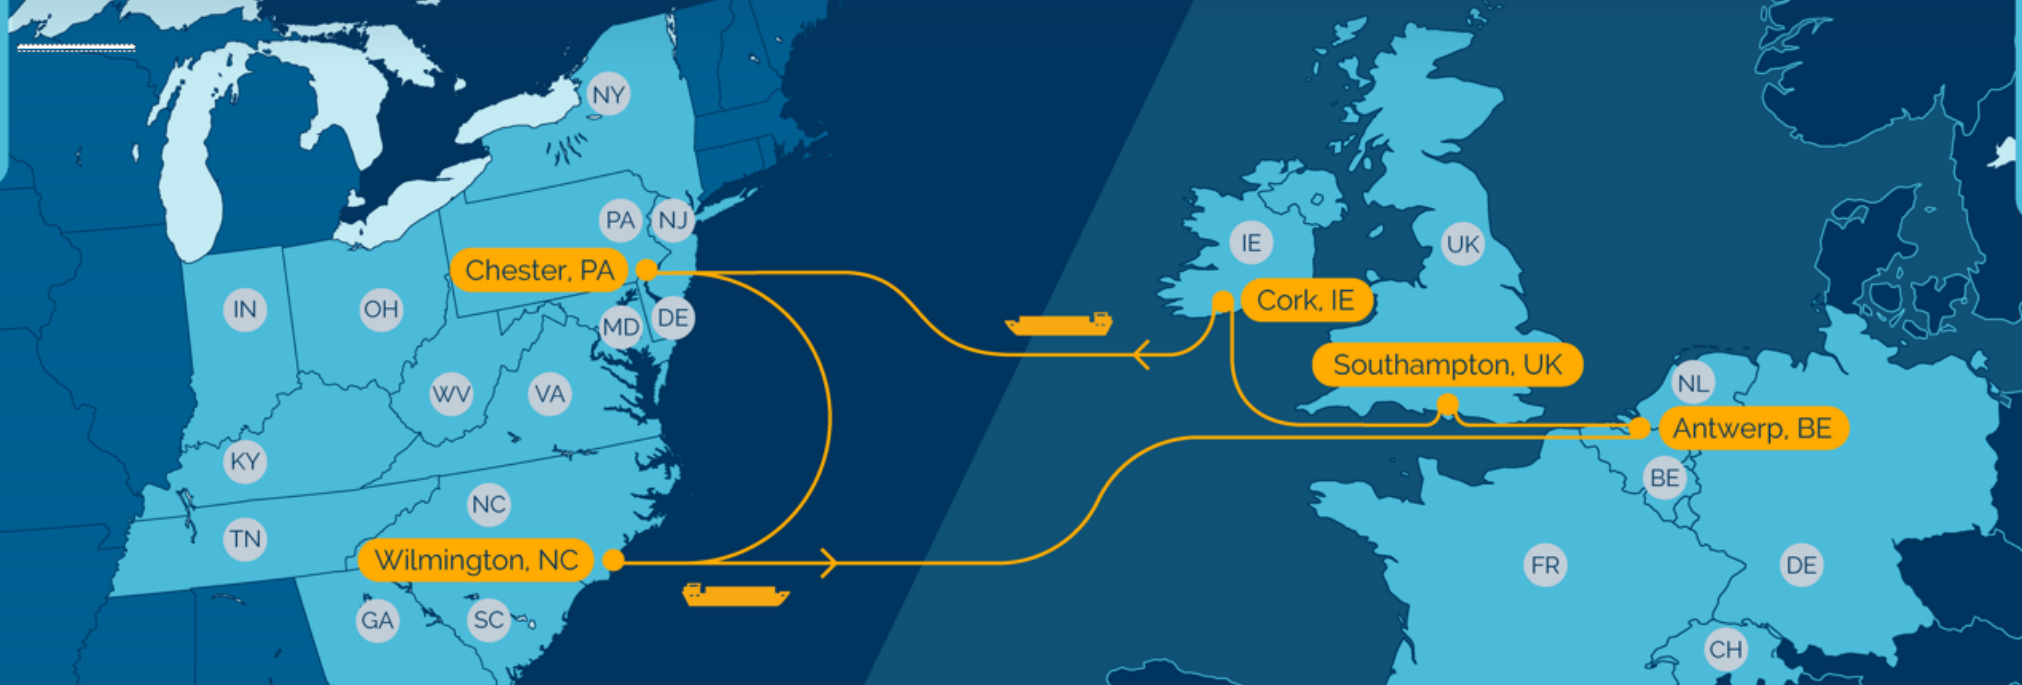

MANAGED STORAGE SERVICES

Warehouse and distribution offerings to seamlessly integrate into the customer's supply chain.
